PREMIUM

CUSTOM IMPRINTED PROMOTIONAL PRODUCTS

Let us help you build your business. Custom imprinted promotional products are considered the least expensive but most visible form of advertising. Promotional products develop customer awareness, open doors and create a positive image.

Call us, we're here to help you.

Full Color Imprints

Look for this symbol throughout the catalog. Just think of the impact a full color logo would have on your customers.

Quick Service

Produced and ready to ship in the number of working days shown, upon approval of art. Please allow 2-3 days for art preparation. **Rush service available on most items.**

Standard Imprint Information

To imprint your logo or special lettering, please send us original camera ready art. Please do not fold tape or staple. Your imprint can only be as good as the artwork supplied. Photocopies or faxes are not accepted as camera ready art. If art is not camera ready, additional art charges may apply. Please enclose separate pieces of art for multiple orders. Close registration (multicolor imprint) must have 1/8" color separations. If there are no imprint specifications regarding sizing, etc., the imprint will be fit to look best.

Ad copy must be typed. Factory will not be responsible for errors from handwritten copy.

Any order change must be made in writing and confirmed (may delay production).

Drinkware Imprint

Imprint Colors

Standard colors include: black, white, red, blue, green and yellow with expanded options available depending on the product selected. *Assorted Colors: Judgement of the printer.* We can try to match a color as close as possible. If a PMS color is specified, there is an additional charge of \$45.00. Two or more color imprints require separated artwork with the color breaks indicated. Please allow additional time so you may verify a proof if necessary.

Pricing

All prices shown are per item unless otherwise specified. **Price includes one color, one position imprint.** Set up charges for screens, dies, plates or tapes vary from item to item. There are additional charges for more than one color or multiple imprint locations. Prices are subject to change without notice. **Shipping charges are not included.**

Over/Under Runs

We try to produce your order in the exact quantity specified, but it is not always possible. We reserve the right to ship and bill up to 8% over or under the desired quantity.

Electronic Art/E-Mail

While vector art from Corel Draw and Adobe Illustrator are the preferred file formats that we accept, we can work with just about any file you send. **We can convert bmps, jpegs, gifs and even faxed copies to vector art for a minimal charge.** Just ask us about it. If you are sending an electronic file, please convert all text to curves or outlines. The art department uses Macintosh & IBM systems but cannot guarantee the compatibility of art. For best results, files should be saved in EPS file format. **Fax a hard copy of imprint for verification. Please add art prep & shipping time.**

Paper proofs may be supplied. Please allow extra production days.

Cancellation Policy

All orders once acknowledged and then cancelled are subject to a cancellation charge. The minimum charge is \$25.00 and varies depending upon the status of the order in our plant when cancelled. A fee of \$25.00 will be charged for all returned checks.

Occasionally a product style may change slightly from products shown. Manufacturers reserve the right to make product design change in order to produce quality products. We reserve the right to substitute current style.

Any product samples and imprints shown in this catalog are for display purposes only. The companies named do not necessarily endorse these products.

Ordering Made Easy

Complete an Order Form

Upon receipt of your order, we will notify you if there are any discrepancies or questions before we proceed. Review the acknowledgement that your order has been processed. If there are any misunderstandings on the acknowledgement, notify us immediately.

Enclose Your Art

Camera ready art is black on white; crisp, clear and clean art (not letterheads, envelopes and photocopies). For a nominal fee, our art department can convert art into camera ready art as needed. Call for a quote. All art prepared can be returned upon request. Your imagination is your only limitation!

Select Method of Payment

We recommend prepayment by check, MasterCard, Visa, American Express or Discover, allowing us to process your order promptly.

Shipping/Overruns

Prices do not include shipping charges or sales. Check for your local sales tax. Call for a shipping estimate. Careful inspection at the factory often results in some imprinted pieces being discarded. An overrun or underrun of not more than 10% is acceptable. If you have questions, don't hesitate to call.
